

Advanced Rider Tactics (ART)

Have you ever wondered how police motor officers can handle their heavy large motorcycles with such ease? Learn the ART of motorcycling by learning to control your motorcycle at slow speed by using the secrets of

Police Motor Officers.

Never fear making U-Turns again or drag your feet at slow speeds for balance. You will be instructed by our active duty motor officer certified instructors using the actual exercises taught to police motor officers.

Learn to ride well and have fun. Stop riding in fear of dropping your motorcycle and learn to ride like the professional riders do.

Advanced Rider Tactics – Level I \$125

This four hour course introduces you to the secrets of slow speed control and handling. You will use your own street-legal motorcycle for the course.

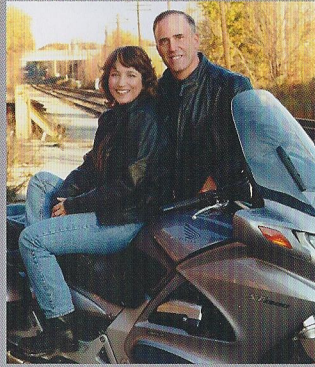

Advanced Rider Tactics – Level II \$125

This five to six hour course builds on the skills learned in the ART Level I class. This course will cover police motor exercises such as –

- Brake & Escape
- High speed cone weave
- Counter-Steering
- Evasive Maneuvers
- Curve Negotiation
- Braking in a Curve
- 180 Deceleration Turn

You must have completed the ATC Advanced Rider Tactic or Ride Like A Pro Class at ATC prior to enrolling in the ART Level II class.

Alpha Training Center (ATC) is located in Lansing, Michigan and is owned and operated by Amy and Jim Kraus. Our family-run business is committed to providing the highest level of professional motorcycle training in Michigan

Founded in 2003, ATC's training courses are conducted on our private eight acre site, the largest of its type in the state. Our training area is completely paved, clear of any obstacles and fenced in. This provides you with the best environment to learn new skills. All of our classes are held in our own classroom facility. This modern building is located at our training site with easy on-site parking. All of ATC's staff is nationally and state certified MSF RiderCoaches or Total Control Instructors.

ATC is proud to use only late-model motorcycles for your training class. We use team teaching methods to ensure your time with us is well spent. We use humor and fun to provide you a relaxed learning environment. You will be amazed at the skills you can learn in one of our classes.
